

PIPE CLEANER BOUQUET

1

Materials:
Pipe Cleaners Ribbon
Pencil Scissors

2

Cut Green Pipe Cleaners in half

3

Flower Type One:
Put a pencil flush against the green pipe cleaner and wrap another pipe cleaner down the tip of the pencil.

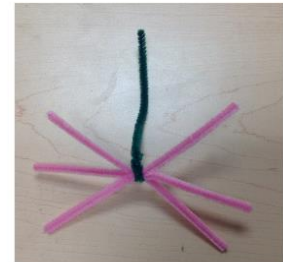

4

Flower Type 2:
Grab three pipe cleaners of the same color and twist them together at the middle point

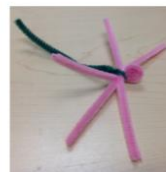

5

Wrap the end of the green pipe cleaner around the twisted area of the three pipe cleaners

6

Curl each of the pipe cleaner ends towards the center. Lay one curled end in the middle or leave all six pointed upright.

7

Gather your flowers and twist the stems together. Wrap the ribbon around the stems and you have a bouquet!
